Welcome Back Everyone! Happy New Year to all of you. I hope you and your family had a fabulous winter break and are well rested and ready to get back into learning mode once again.

If you have not heard already, Ruth King is expanding. The new modular building will start construction/prep work this week. A fence will be constructed around the work site to ensure everyone's safety. Hopefully this does not interfere too much, but I know our avid soccer players are not going to be happy as the construction is taking place on the field. There is a diagram attached for your reference.
