

Dear Parents/Guardians,

***Newsletter – March 11 to 15, 2024***

I hope you all had a wonderful weekend. The sun even popped out for part of the weekend. Congratulations to the Ruth King Choir for their performance at the Friday night Junior Grizzly's hockey game. They were invited to sing "Oh Canada" at the beginning of the game. Thank you, Mr. Siu for organizing this opportunity for the students who are participating this year in choir. The choir also participated in a "Choir Festival" on Monday with a few other schools in the district. Well done everyone

Some of the Grizzly team members came out to the school on last Tuesday to read with our students and they also played a little hockey with some of our grade 5's, kindergarten class and avid recess hockey players.

I would like to give a big shout out to our boys and girls basketball teams who represented Ruth King at the jamboree last week. Thank you to our coaches this year, Mr. Stephenson and Mr. Wood, and also to Ms. Finnie for helping out when needed.
